RULES AND CONDITIONS

PRICES VALID FOR 2023 AND SUBJECT TO CHANGE WITHOUT NOTICE

Hir Expo International will manage the payment for telephone and internet services and AXTEL will provide the invoice. For connection to internet your computer requires an ETHERNET adapter, with RJ45 connector and INTERNET BROWSER. It is the responsibility of the organizer to test configuration 1 day before the event.

Once the service has been installed, any relocation will have an extra charge of 50% rates per day over each line.

The Organizing Committees is responsible for any damage or stolen equipment during the show.

Upon payment this form is not subject to changes or cancellations.

Internet service requested by the exhibitor during the show day will be provided among 30 and 120 minutes after to have provided to Axtel the format and payment.

For events of a single day asked for same day of event, installation and activation will be among 30 and 60 minutes after your payment.

The WI-FI password is only for one equipment.
