SHOWREADY STAND OFFERING

We have developed a new stand offering for the small space only market. Offering affordable, sustainable, impactful stands.

Our Show Ready and AMP stands are the perfect solution for exhibitors keen to move on from shell but whom may not have the budget or time for a full custom build.

The stands in the Show Ready and AMP range are all graphic-based fabric stands that are fully customised and can be fully branded with a customer's image and message.

The system has the in-built capability to scale-up with an exhibitor's requirements - from AV and lighting additions, to flooring and furniture.

The ease of build and production has proved a huge selling point.
