## BOOTH ID SIGN

(FULL PACKAGE BOOTHS ONLY)

BOOTH No. :

Please input your company name as you want it to be printed on the booth ID Sign in the grid below. Please enter one letter per space. The characters used on the ID sign are in black color, Helvetica type and they will be 10 or 6 cm high, depending on the text length. Each full package booth includes the company name at no extra charge.

If this form is not received by the deadline, the ID Sign will have the company name that appears on the exhibiting company's space contract.

Any changes will result in additional charges.

IF YOU REQUIRE:

- LOGO of your company printed on self-adhesive vinyl.
- SPECIAL TEXT cut out in self-adhesive vinyl glued to walls or their fasia board (Commercial colors only)
- PRINTS ON CANVAS OR SELF-ADHESIVE VINYL
- Please request a special quote.

IMPORTANT NOTES FOR GRAPHICS:

- For vinyl cutout letters we require your font (downloadable).
- For prints on canvas or vinyl we require images in .jpeg format at the final size.
- Images must come with a minimum resolution of 300 dpi. Otherwise, the printing will be of low quality.
- Images must come in CMYK color mode
- All graphics must come assembled to size; we do not have a design service available.

MEASUREMENTS FOR GRAPHICS (Full package of 3.00 X 3.00 M.):

- Complete walls 97 cm wide x 241 cm high
- Fasia board 297 cm wide x 21 cm high
- If your package booth has different measurements, inform us and we will send you the corresponding measurements.
- The walls of the package booths are made up of aluminum poles and protrude 1cm each meter, we do not have a flat surface, consider this when planning your design.

THESE SERVICES ONLY APPLY FOR FULL PACKAGE BOOTHS, BUILT WITH OUR SCH SYSTEM.
