SHOW POWER SUPPLY – Compulsory

- Exhibitors / Contractors are required to order mains power supply for the show days.
- Mains power supply will only be activated and energised on the last day of the build-up, a day prior to the show.
- An Energising Form must be completed and signed at our GES Helpdesk onsite during build-up to activate the stand power.
- Mains power supply must be switched off every day at the end of every show, unless otherwise a 24-HR continuous power has been ordered. In the case the power has not been switched off, a surcharge of 30% based on the overall power consumption ordered will be imposed.
- If mains power is required during the build-up for testing, a surcharge of 30% based on the power supply ordered will be imposed.
- Mains power supply does not come with a Distribution Board; it should be provided by the Exhibitor/Contractor or ordered through GES.
