Any manpower or equipment required to assist with the assembly/dismantling operation on the stand.

IMPORTANT NOTES:

Please ensure that you send us your freight declarations and order your on-site handling services through DSV at the soonest possibility. This will enable us to work and include your requirements in our operations schedule and ensure a smooth handling of your goods on site.

For any exhibit, box or crate which exceeds more than **2 tons** per piece, or with dimensions that exceed **2m x 2m x 1.5m (LxWxH)**, where special handling and lifting is required, we request exhibitors/clients to contact us, providing a detailed description of the goods at least 20 days prior to the start of the exhibition.

This is very important and is required to ensure a smooth handling of your goods at the show site. Failure to do so in advance will invite heavy penalties and surcharges to mobilize such special equipment at a shorty notice, which if applicable will be on the respective exhibitors/client's account.

The show site yard is not a covered area, therefore all freight and empties moving in and out of the halls or stored on-site during the show are exposed to climatic conditions. Whilst we will do our utmost to cover freight and empties in the holding areas, we cannot be held responsible for any damage caused by climatic conditions.

Insurance of the cargo is not included in our scope of work / tariff, and this should be arranged by the Exhibitor and / or Exhibitor company with an express and unconditional waiver of subrogation towards DSV their partners & our sub-contractors.

As our tariff is computed based on volume and weight and has no correlation with the value of exhibits, it follows that the cost of insurance cover is not included in our charges. It is the responsibility of each exhibitor/client to arrange a Full Marine (Transport) Insurance covering transport of your goods from your domicile to the exhibition, and the return of the same back to your domicile at the end of the show, including the period your exhibits/goods are handled by DSV. Please also ensure that the Marine (Transport) Insurance is arranged for the exhibits/goods sold locally during the exhibition.

Collection, storage and return of empty packaging, is subject to the availability of space on-site at the venue.

Currently, the venue provides a limited space to store empty cases freely on site, additional charges may apply if we are compelled to move empty cases for offsite storage, or if any charges are levied by the venue for the space.

It is the responsibility of each individual freight agent and exhibitor to ensure the collection of the packed goods from the stand at the end of the show within the stipulated tenancy. We are not responsible for any missing exhibits or cargo from the booth which is left unattended.

LABOUR AND EQUIPMENT

DSV is the only company authorized to work on site and provide manpower and equipment for the handling/movement of freight within the premises of the exhibition centre.

No Exhibitor or their suppliers will be permitted to operate their own lifting equipment, such tail lift or crane mounted trucks, genie lifts (manual lifts), etc. for unloading/reloading goods from their vehicle in the service yard for the exhibition.

For safety and security reasons. No other contractor's manpower is permitted to work, handle or move any cargo on-site, as per the organizer's requirements for the show. Please ensure all your manpower requirements are pre-booked with DSV well in advance.

All work carried out is subject to DSV standard terms and conditions of trading, copies of which are available upon request.

LOCAL DELIVERY INSTRUCTIONS

Please ensure that you send us your freight declarations and order your on-site handling services through DSV at the soonest possibility. This will enable us to work and include your requirements in our operations schedule and ensure a smooth handling of your goods on site.

Freight declarations

- We will require a declaration of each individual shipment to be sent to our DSV office by email at the latest 5 working days prior to delivery of the shipment to the show site.
- For each shipment we will require the exhibitor's name, hall / stand number and delivery date, a copy of the U.A.E Customs Import Bill of Entry, a copy of the Sea freight Bill of Lading or Air Waybill and a copy of the Commercial Invoice & Packing list with individual commodity, weight and dimensions of each piece.

Billing of on-site freight handling charges

- Once we have received your full declaration for a shipment, we will raise our invoice to you for our on-site handling services. Payment of this invoice should be paid by Company Current Dated Bank Cheque or Bank Transfer either before, or on the day, your shipment is delivered to the show site.
- On-Site handling payments will have to be made prior to the handling of the goods on site, therefore it is vital that you ensure all cargo/exhibit details are sent to us well in advance.
- We will bill our onsite handling and empty case storage charges per shipment, per exhibitor and all minimums will apply.
- The invoice billed to you will include both inbound and outbound on-site handling charges based on the import method of shipping to the U.A.E along with the empty case storage on a per shipment, per exhibitor basis.
- Should the method of shipping change for the shipment on export after the show, and you require the outbound handling charges to be amended, you can provide the processed Original Customs Export Bill of Entry and Original Exit Certificate for verification, after which we will issue you with a refund within **14** working days.

Event Build-Up Delivery and unloading at the venue.

- Delivery date and time for your goods will be scheduled based on the commodity of the goods, i.e. Build materials/furniture/AV/exhibits, etc to avoid congestion and crowding. It will not be possible to have cargo stored outside in the freight yards during the build-up period.
- The driver of every vehicle delivering to the show site MUST have a DSV manifest with them (template to be provided) on arrival at the service yard (based on the freight declarations provided) along with the letter of undertaking for sanitized goods.
- Once in the freight yard your company representative must be present on arrival of the vehicle and throughout the unloading. The manifest should be given to the DSV Hall Manager, and after a check, a supervisor and forklift will be assigned to unload the vehicle.
- Once unloaded the manifest and work ticket will be signed by both the DSV Hall Manager and your company representative.
- All Stands must be clear of empties, and delivered goods, by latest 6 pm on the last day of the build (**30th March 2026**).

Event Show days

Please note Contractors will not be permitted to enter the halls on the morning opening, therefore it is very important that all shipments and goods are delivered to the show site latest by noon on the last day of build to complete set up before close of the halls for deep sanitization.

Event Break-down

Reloading at the venue during the breakdown of the show and outbound process

- Vehicles will not be allowed to be parked empty in the freight yards. Therefore, please ensure your exhibits/goods are ready for loading prior to the arrival of your vehicle at the show site. Your company representative must be present for the entire time your vehicle is on-site and during the whole reloading operation.
- Once your goods are packed ready for loading the DSV Hall Manager will have a check after which, a supervisor and forklift will be assigned to unload the vehicle.
- Prior to loading the manifest and work ticket will be signed by both the DSV Hall Manager and your company representative.
- In case you are looking for a refund due to a change in the method of shipping, we will require you to present the below documentation at the office for verification along with a copy of each.
 - Original processed Customs and Port Passed Export Exit Entry Certificate.
 - Original passed Export Customs Bill of Entry.
 - Air waybill/Bill of Lading & Packing List

The Export Exit Entry Certificate and Export Customs Bill provided must be after completion of the export processes and must have the related Customs Inspection and Air/Sea port Shipped Out stamps embossed.

It is essential for you to send us your complete and detailed freight declarations well in advance to give us enough time to ensure the smooth handling of your goods on site for the event.

You may send any of your shipping and cargo handling enquiries to Attn: **Sharuk Lal – sharuk.lal@dsv.com** and we will revert back to you with all related information accordingly.

For additional services not listed above, individual quotations will be provided based on your requirement.
Rates quoted basis current rates and tariffs, subject to changes with / without prior notice.

- Airline/Airport/Seaport storage or demurrage charges if applicable will be additional on early arrival shipments (irrespective of the cargo arrival deadlines mentioned in the shipping guidelines). The free time permitted for shipments is 5 days from the port and shipping line for the containers to be unloaded and delivered back to port, effective from date of arrival.
- Any third-party charges incurred, beyond our control.
- Storage and handling of empty cases are subject to availability of free storage space on-site.
- Additional charges may apply for off-site storage or charges levied by the venue towards the space required on-site.
- Movement of goods via offsite warehouse before / after the show will be subject to additional intermediate transport, handling, and storage charges where applicable.
- We take necessary precautions by covering all cargo and empty cases. However, the show site yard is not a covered site, therefore all freight and empties moving in and out of the halls or stored on site during the show are exposed to climatic conditions. Please be guided accordingly.
- Split delivery of freight into different stands/halls locations, where additional handling is required.
- Unforeseen charges, such as loading/unloading, packing/unpacking at sea/airport for Customs inspection.
- Provision of hire of equipment and manpower – forklift, crane, pallet truck, packing materials, manpower, etc.
- DSV Fairs & Events is the only company authorized to work on-site and provide manpower for the handling/movement of freight within the premises of the exhibition centre.
- For safety and security reasons. No other contractor's manpower is allowed to work, handle or move any cargo on site on-site as per the organizer's requirements for the show.
- Please ensure all your manpower requirements are pre-booked with DSV Fairs & Events well in advance.
- All rates, fees and/or payments referred to in this tariff are exclusive of all services tax, value added tax (VAT) (whether existent or if applicable at the date of getting this tariff, or if applicable in the future) and any other current or future tax, duty or fee of any nature whatsoever imposed from time to time by any ministry or government authority will be charged in addition to the above tariff charges.

***For additional services not listed above, individual quotations will be provided based on your requirement.
