Gigi
Rigolatto

LIVING LIFE "ALLA GRANDE"

ITALIEN - ELÉGANT - ANIMÉ

"Gigi Rigolatto is not just an Italian restaurant. It's the restaurant of an Italian." If Gigi Rigolatto had a face, it would be that of a well-travelled Milanese aesthete, proud of his heritage and open to the world. A charismatic and whimsical personality, carefree yet generous and radiant, who loves nothing more than welcoming his guests into his homes as if they were in his native country: Alla Grande!

The Gigi Rigolatto destinations embody the art of hospitality as only Italy can imagine, with extravagance and elegance, joy of living and lightness. In one word: with panache! It's a way of life where everyone comes to share a festive and unforgettable moment.
