FREQUENTLY ASKED QUESTIONS

How do you prepare the staff for an event?

Each role receives detailed briefings covering service standards, safety protocols, and a strong focus on attendees' profiles and cultural awareness. In addition, Vibes allocates a 1-hour briefing prior to the start of the show on day 1 (Included in the quote) for the staff to better understand the client's company, Product, culture and requirements.

Do you provide multilingual staff?

Yes, absolutely. We understand the importance of language in creating a welcoming experience. All our staff are fluent in English, and in addition we can provide staff fluent in a variety of other languages, including Arabic, Italian, Russian, South Asian languages, Spanish, Azerbaijani, Romanian, and Serbian. If you need a particular language, let us know in advance and we will do our best to arrange it.

Can Vibes handle staff badges?

Vibes will provide all the necessary documents required for staff badges. The exhibitor simply needs to register the staff on the organizer's portal, download the badges, and share them with us. We'll be happy to guide you through the process if needed.

When will the assigned staff profiles and documents be shared?

The profiles and required documents of the assigned staff will be shared once full payment has been received. This ensures you can proceed smoothly with badge registration.

What are the minimum booking hours or days?

Our staffing services are based on the full duration of the show (hours/days) in line with the event schedule. Since freelancers are in high demand, this approach ensures staff availability, reliability, and confirmation for your event.

What lead time do you recommend for booking staff?

We recommend finalizing your staff booking at least 20 days before the event. This allows us to secure the best possible profiles and ensure proper preparation. While we will always do our best to accommodate last-minute requests, they remain subject to staff availability.

What are your payment terms?

To secure your booking and ensure smooth arrangements, we request 100% advance payment upon Invoice submission.

What are your working hours?

Our team is available from Monday to Friday, 9:00 AM to 6:00 PM (UAE time). Outside of these hours, you are welcome to leave us a message or email, and we will respond promptly on the next working day.
