# FREQUENTLY ASKED QUESTIONS

## Does GES offer support during the show?

- GES will have a dedicated onsite team, to assist throughout the entire duration of the show.

## What is the maximum power consumption available for show-ready stands?

- Pods are only provided stand power up to 500watts for the duration of the show. Any equipment that requires more than 500watts power will need to be ordered from GES.
- If you require the sockets to be placed in specific locations in your stand, please contact GES directly on [gess@ges.com](mailto:gess@ges.com). Otherwise, sockets will be installed at a default location at the discretion of GES and any changes onsite will be subject to staff availability and relocation fee.

## What is the overall height of show-ready stands?

- Overall height of 3.0 meters.

## Are the visuals provided the same as my stand orientation?

- The sample visuals of the stands above is for illustration purposes only and the pod you may have booked may be built differently (i.e., 3 open sides or a bigger pod)
