4. STORAGE OF EMPTY CASES / PACKING MATERIALS :

Storage of empty cases / packing materials onsite in the freight yard is totally up to the discretion of the Venue Management. If we are forced to take the empties away from the freight yard and into a storage area either somewhere in the show site or away, then there will be additional charges as per follows:

If Transport arranged by Agent / Exhibitor:

USD 35/CBM (minimum 3 CBM) includes the loading / unloading of empties onto truck. (Please ensure that the shipments / empties are delivered to the correct halls / freight yards, any shipments delivered to the wrong halls, then additional loading / unloading charges will be applicable.)

Handling and storages arranged for by Airlink: -

USD 65/CBM (minimum 3 CBM) includes the loading / unloading from truck, transportation & storage in warehouse and return to booth.

Please ensure that you have filled up Airlink empty stickers with the exhibitor's name, hall/stand number, total number of empties and stuck on your empties prior to leaving your booth. This is to ensure that the empties will be collected by Airlink staff, otherwise the housekeeping team could dispose of the empties, and we will not be held responsible.

5. IMPORTANT NOTES:

- Insurance of the cargo is not covered in Airlink International's scope of work / Tariff and the same has to be arranged by the Exhibitor or the Exhibitors respective agents with an express and unconditional waiver of subrogation towards Airlink International UAE or our sub-contractors.
- The above charges do not include unpacking / repacking of goods, or repositioning of exhibits After the first time delivery to stand. For Any repositioning required the charges will be additional.
- All freight destined for the show must be declared at least 48 hours in advance for planning purposes. Declarations must include cargo details such as, AWB or B/L copy, weight, volume, exhibitor name & stand number. This will only enable us to serve you better, also we expect that your representative (not the driver) will be on-site at the time of the delivery to sign the necessary work orders.
- For any exhibit or piece which exceeds more than 2 tons a piece in weight or with dimensions that exceed more than 2.00 x 2.00 x 2.00 meters where special handling & lifting is required, exhibitor is required to contact Airlink International UAE, to offer a special handling & lifting quotation.
- We take necessary precautions by covering all cargo and empty cases. However the show site yard is not a covered site, therefore all freight and empties moving in and out of the halls or stored on site during the show are exposed to climatic conditions, for which we cannot be held responsible.
- **At the moment, the venue management provide us a limited space to store the empty cases on site at no extra cost. If this changes in the future or if we are compelled to move the empty cases to another location within the show site OR off site, our tariff will be revised to incorporate such increase in cost.**
- It is the responsibility of each individual freight agent and exhibitor to ensure the collection of the packed goods from the stand at the end of the show within the stipulated tenancy. We are not responsible for any missing exhibits from the booth.
- Our Tariff is computed on the basis of Volume & Weight and no correlation with the value of the exhibits, if follows that the cost of Insurance is not included in our charges.
