MEBAA2026: AIRCRAFT MANUAL INTRODUCTION

Welcome to the MEBAA Show 2026 and thank you for taking part in this prestigious event.

This Aircraft Manual is intended for the use of pilots & exhibitors participating in the MEBAA Show 2026 and can be used as a guide to all Static Park related enquires.

Mandatory forms Application to Present Aircraft & Confirmation of Aircraft Insurance, are included within this Aircraft Manual document and must be returned by the **15th November 2026** to ensure smooth handling of your aircraft at the show.

Pilots and exhibitors are advised to read this manual thoroughly and where queries arise seek clarification from the Organiser:

Section 1: GENERAL INFORMATION

Arrival Permission to land in Dubai:

It is necessary to obtain prior permission to land in Dubai. To gain DCAA approval & apply for (MEBAA2026) slots, please initially contact Jetex FBO at DWC, who will send your slot request to ACL International:

Tel: +44 (0) 208 564 0644

Mob: +971 (0) 4 50 45824

Email for slot request: slots@acl-international.com

Email for enquiry: current_season@acl-uk.org

Customer Demonstrations:

Exhibitors may carry out customer demonstrations during the MEBAA Show 2026, though these will need to take place before or after the MEBAA Show 2026 event open hours, once the official permissions have been granted by the appropriate authorities. Aircraft movement on the static area during show hours is not permitted. Demo flights can be arranged through JETEX Flight Services and the information you will require is available from them, this will include Aerodrome information, Maps & Meteorological data. Please note that if you wish to carry out demo flights your aircraft will be positioned on the static close to the rear fence so that it may be moved in and out of the static park with minimum or no disruptions to other aircraft.

Tow-bars:

Exhibitors are required to provide a tow-bar for each aircraft presented, suitably identified & available for all the aircrafts movements. Exhibitors are responsible for the connection & disconnection of the tow-bars. The pilots or a member of the exhibitor's ground crew will be required to operate the aircraft brakes during all ground movements.

Aircraft Parking:

Upon arrival, aircraft will be allocated a parking position within the static park. Exhibitors are required to ensure that either a pilot or a member of the ground crew is contactable at all times in the event that the organisers require the aircraft to be moved. Exhibitors are also to ensure the aircraft are moved promptly and as directed by the organisers & Aircraft Static Manager.

Aircraft not available for positioning by **09:00am** on **5th December 2026** may lose their place on the static park.

Arrival Procedure:

Aircraft need to be available for placement on the static park no later than **09:00am** on **5th December 2026**. Upon arrival or at the first opportunity there after, the captain of each exhibiting aircraft must report to the Aircraft Manager in the organisers office for registration. The office will be clearly sign posted within the exhibition hall and will be operational between the hours of 08:00am-18:00pm (local time) **from 5th December to 11th December 2026**.

Immigration & Customs:

After landing, if you have booked FBO services through Jetex you will be met by Jetex courtesy vehicle & escorted to the FBO terminal for immigration & customs formalities.

Departure Procedure

Exhibiting aircraft are required to remain on the static park until the show closes at 18:00pm (local time) on the last day of the exhibition, **10th December 2026**. Departures should be planned accordingly and flight plans can be submitted to JETEX Flight Services.

Security

Exhibitors are required to ensure that aircraft on the static park are attended at all times during the exhibition open hours.

GENERAL CONDITIONS AND REGULATIONS INSURANCE IN CONNECTION WITH THE PRESENTATION OF AIRCRAFT

X.1. Requirements

Exhibitors are required to effect their own Third Party (including passengers) Insurance, to which Informa FZE & MEBAA (both as Organisers), and the Government of Dubai (including its servants and/or agents) must be added as additional insureds. No claim by way of subrogation shall be made under any such policy in any circumstances against the Organisers or against the Government of Dubai, its servants and/or agents. The policy must incorporate the wording shown in the Appendix to these Regulations. The limit of the Insurance must be whichever is the higher of:

i. The total limit of the Exhibitor's existing Third Party (including passengers) Insurance; AND

ii. **USD\$ 50,000,000** for any one accident.

X.2. Confirmation

Exhibitors are required to submit the Insurance Form to the Organisers by no later than 15 November 2026, including confirmation from their insurers or authorised insurance brokers that the Exhibitor's liability has been insured in accordance with Regulation X.1, specifying the policy limit and confirming that the policy includes the wording of the Appendix to these Regulations.

Note: Where the Exhibitor has a stand or chalet, its Third Party risks in respect thereof must be insured in accordance with the requirement of General Condition 23 and 24 as shown on the Exhibition and Chalet Space Application Forms. See also Exhibitor's Information Manual.

X.3. Attention is drawn to the fact that Exhibitors who borrow aircraft, engines, instruments, accessories, or parts from a Government Department may additionally be required under the terms of any Loan Agreement to effect specific insurances with which all Exhibitors concerned must comply.

APPENDIX, IMPORTANT NOTICE: WORDING TO BE INCORPORATED IN THE INSURANCE POLICY

IT IS HEREBY UNDERSTOOD AND AGREED THAT in connection with (i) MEBAA 2026 taking place between 10 and 12 December 2026 inclusive (the Exhibition) and the Static Park organised by Informa FZE & MEBAA (the Organisers):

- I. Subject to the policy coverage and the policy limits the Insurers shall indemnify (i) the Organisers and (b) the Government of Dubai and its servants and/or agents, against (i) public liability (ii) liability arising under any regulations incorporated into any agreement between the Insured and the Organisers, and into any agreement between the Insured and the Government of Dubai, and (iii) liability under any Loan Agreement with any Government Department, but excluding:
 - a.) Loss or damage to the aircraft loaned; and
 - b.) Any charge for the loan of the aircraft.
- II. No tickets of admission shall be required to contain any disclaimer of liability.
- III. In respect of accidents arising whilst (i) the insured aircraft are operating from Al Maktoum International Airport (DWC) Dubai, during the period of the Exhibition or (ii) whilst the aircraft are flying between their home base and Dubai 'en route' to participate in the Exhibition or (iii) returning to base from the Exhibition, if any Third Party suffers death or, bodily injury anywhere and caused by an aircraft insured by this policy THE INSURERS WITHOUT RAISING AS A DEFENCE:
 - a.) That the Insured were not legally the owners of any aircraft loaned to the Insured, OR
 - b.) That spectators voluntarily accept the risk of injury or damage or are in any worse legal position than ordinary wayfarers, OR
 - c.) Any other purely technical defence

WILL PAY:

Compensation in respect of any one person up to an amount not exceeding USD\$ 200,000 which in the opinion of Leading Counsel mutually agreed between the Insurers and the Insured is adequate taking into consideration any contributory negligence.

PROVIDED THAT:

If any Third Party Claimant refuses to accept the amount of compensation offered then the Insurers shall be free to raise any defence to such claim and thereafter if such defence succeeds Insurers shall not be liable under the Policy to make any payment in respect of that Claimant.

- IV. Notwithstanding the limit of USD\$ 200,000 applicable to automatic compensation payments under the provision of clause III above, the amount of indemnity payable under this memorandum for sums which the Insured may become legally liable to pay in respect of any one person will be unlimited but always subject to the maximum limit of indemnity stated in the Policy as payable in respect of any one accident or occurrence.
- V. Except as expressly stated this endorsement is subject to the terms and conditions of the Policy.

Note: Regulations X.1. and X.2. of the General Terms and Conditions require the inclusion of this endorsement in the Exhibitor's Insurance Policy and written confirmation from the Insurers or authorised brokers that the Organisers' requirements have been met.
